story of French Recentricity -A S r-

Paris Correspondence R. Y World. Great sities we favorable to ercentricity heretors, no man may with reason be surprised capital Public opinion does not exist in such calles Fred from all manner of restraint, excepticity shoots into the most captation, excepticity shoots into the most captations growth Again, it is fossered by opportunities for quantification. Ministers to every whim are to be found in the varied population congested in these shodes, for nowhere one such does poverry press burder, or money assess more desirable timin in these winds russes of houses, where everything is obtained or parted with by exchange where severything is artificial, where later it sail, in all its ionium rable varieties, do w not produce, but only transforms. Consequently, the excentresties of greek capitals was as suffigured with a first only transforms. Consequently, the excentresties of greek capitals was as suffigured with a first of the difference of human instatres. Virtues and vice, and ludificant express, assume every form of address. Consider them together, you distinction between madness and reason, so absolutely manner as some of the pureuits in which

shall thad yourself at a loss to truct the line of distinction between miduess and reason, so ablanded the parameter of the p

The Journal of the Telegraph says that as the nations become united by autoneousle cables the need of a course as language for more vidents. The proposed extendion to Cubia lacronses to has English or A fortion operator can train the meaners of Fernica, wearth or Italian, and while it course to the meaning of the inclusion of the interest of the meaners of the meaning of the fact of the meaning of the meaning of the interest of the meaning of the meani

is'nt it a good joke to bear such men as Hoffwine talking about Republican extravagance, in penkulves, stationery, &c., and of the honesty with which the Democrate would administer the Gotorument. New York city is a beautiful sx-ample of Demogratic notions of official integrity and of public economy.

The Democrats have it their own way here,—

gressional District cast at a recent election but even Republicas rotes. Is there any city in the world where the tax-payers are mor worse whose has take payors are more removed or General medical and been nearly removabled than in that city, where the New York forced by the arrival of General Longstreet's corps Democratic nomines for Gevernor is now the Mayor? is there not rottenues in every depart-ment of the Municipal Government? Is not roben times more to run the machine than it locs the whole State of Pennsylvania? Is not th office of Alderman, of Supervisor, is not a membership of a Democratic rivg, worth a fortune t man, from the chances it gives him of thieving robbing The taxes upon the citizen of New York under the administration of would be Governor and now Mayor Hoffman, and the Tam many Ring to which he belongs, now amount to \$3.75 on every \$100 of their property. Yet it is this tribe of politicisms who are to inaugurate, as then in East Tonnesce. we are told, honesty, purny and economy at Washington ! Do the people believe they would do it? Would they do it if they could could they do it if they would? The last Democratic ad-

Democratic Gains.

That verscious and candid newspaper, the World, is still rejoic of over a Democratic vic-tory in M me. It protectly got its notion of rictory from General McClellan, who siways corgratulated is army of or he bail suffered the nemy to difeat it. THE YEAR, 5020 -Thursday was the adent of the year 5049 A. M. and was celebrated throughout the Jewish world with its secusions. ed relembily. There is a potent remon why the olemn period has taken so deep a root on the bearts of larmelites. They are taught thus it is the primary Day of Judgment. They are admon-Ished by the abotar, instructed by its thrilling notes, that they are solemnighn a saured sesso and its warning mates vibrate through their very licarte, reminding them to prepare to meet their "Prepare in the court-yard, that thou mutest be entitled to enter the palace," is the advice of the voice of smilgnity. The celebration of the Jewish new year occupied two days, concluding yesterday.

FUNE, JACKSON & FULLER will open next

Five years ago this bright September of ne of the flarcest conflicts in American namely, that of Chicksmangs,—and no bekan one of the Bercont Gen. Moscerans, composed of the corps of Generals. Thomas, Criticanden and McCook, with a small cavalry force under the command of Muty and Wilder, after driving the demorshized king the rest, it so much needed, and preparations of Bragg, almost without a single halt, and the Milander of the contest of the weeks later when un-They elect, ex professional gamblers, ex-builted and Wilder, after driving the demoralized and lottery declers, like Morrissey and the Wood Brothers to Congress, and the Five Points Confron the vicinity of Middle Tennesses, across the Tenuciace Biver, was forced to give battle upthe on the banks of Chicksmangs Crock, by the army mely of General Bragg, which had been heavily rein-

So accustomed had the Union troops become to ment of the Municipal Government? Is not rob-bing reduced to a science there? Does not it cost fall back upon the approach of the Union troops, that the idea of a serious resistance being offer

Rosecraus was occupying the passes of Lookout Mountain, with the enemy concentrating his forces near Layfayette, Ga., to dispute his further advance. The threatened movements of General Bragg to the right and left proved merely cavalry raids to cut Gen Bonceraus' line of supplies and threaten his communication with Gen. Burnside,

ime from Gordon's Mills to Alpines, a distance of forty miles.

By the 17th they were within supporting dis-

ance and on the morning of the 18th a concen ration was begun toward Crawfish Springs. Before this would have been a very favorable

moment for Gen. Bragg to attack Rosecraps-Upon the 15th, the corps of Gen. McCook was separated from Gen. Thomas by a march of noarly three days. Gen Crittenden could not rein orce Thomas without exposing Chattanooge and Gen Thomas could not move to Gen. Cristenden's position without exposing Gen. Mc

westy troops, and as heavy clouds of dust were discovered on Pigeon Mountain by the signal discovered on rigeon monument by the eight officers, his corps and the right of the center were formed into line of battle which was maintained all the afternoon. As the morning of the 18th broke gray and chilly, the troops were or dered on the march General Thomas' corps presend on towards Gordon's Mille, a small hamet of half a dozen bouses with a flouring mill, and what had once been a cotton factory, located upon Chickemanga creek, bearing the name of Lee & Gordon's Mills

General McCook moved up disently to the real of Phomas. During the forenoon of this day. General Granger, situated on the left of G neril Ward at Gordon's Mills, made a reconsulance across the Chickamanga at Reed's bridge with two brigades, and ascertained beyond doubt that reacral 1, ingetreet's corps had joined theneral Bragg. Colonels Minty and Wilder were sent their casalry commands, the former to watch the Ringgold road crossing, and the latter to resist any advance of the enemy from Natios Gap. Euly in the afternoon the enemy made an attack on the two roads. Deavy cannonading enaucd, out our troups held their ground galfautly until a body of the enemy's infantry having gained car, were compelled to retire. This proved to be the extreme left of the enemy.

lowards evening Gen. McCook's sitched their tents at Lee's Mills, in McLemore's ove; but hardly was this done hefore an order from Gen. Roscerane directed them to move northward to Pond Spring, seventeen miles outn of Chattanooga The writer, who participared in this march, can kever forget the acones I that night. Wearled as were the men, they marched silently and without straggling. All of hi there was a constant rumbling of wagon-

About taldnight the command of Gen. Palms a-sed Rossersus' headquarters, situated a little of from the road and mar Crawfish Springs, the staff of the General were mostly asleep, and a stillness that seemed oppressive surrounded the bivourc. But as if in contemplation of the com gazing lutq the smouldering embers of a camp iles, and with but a single orderly for company Lying by the elde of the road, in the vicinity of bls beadquarters, were hundreds of troops fast select, with but the canopy of beaven for covering, and in many thereto es the fences which had been fired, for the night was chills, had set fire to the cottoing of the addless, who, lost in sleep, only awoke when they fe't its llames. As the tieners!'s tent usure in view, the wearied troops could not resist the impulse to break into

At early daylight, on the morning of the 19th of 8 pt , the whole of Gen Roscersus' army was on the west side of the Chick dangs, within easy supporting distance, with his right resting on Gordon's Mills. Gen. Gordon Granget's forces were held in reserve some distance back on the Rossville Road. Bragg had moved his army by divisions, and crossed the Caleksmans. t several fords and bandges north of Gordon's

The battle which now ensued opened about ten o'clock The first attack of the enemy was upon the left wing of Gen. Roscerans, which they en leavored to turn so as to occupy the road to Chattanooga. But all their thorts for this offect The centre was next sessiled and temporarily driven back, but, being promptly rein forced maintained its ground. All through that bright September day the dense pine woods, and clearings partially flied with scrab oak and tumps, were the scene of deadly conflict, and the waters of Chickamauga creek ran red with blood, literally tu filling the name given it by the red man, viz; "Dead Man's River," As night approached the bittle covered, and the combat ule rested on their acros-

During the night of the 19 h the wounded infored severely from the cold and water, the few aprings in the laste date whinly

Toward the morning of the 20th, the army of General Resectant changed its position slightly to the rear, and contracted the extended lines of the preciding day.

Polk to commence the attack at daylight the next morning, but from some cause the beary fighting did not commence up it half must time a. m., when Breckinridge and Gracial Cishorn pushed the left and center of General Rosserans But by the timely arrival of troops, the ground was beld for more than two hours by Thomas' stabborn fighting. Fierce charges and murdered pulses of the enemy marked the second day's arbtice.

and a say in the pills in the squ of the right qual a say in the pills in the squ of the right qualt of theres! Thomas, and Octoral Longities! summersed Pressing his columns through the passage. At this time M J. General Granger who had been posted with his reserves to cover the left and rear, arrived on the field. He instantly attacked the forces of General Longstreet with Gen, Stedman's force of savairy. Here we lost a thousand men but held the gap notwithstanding the repeated attacks of two of Longstreet's divisions. At nightfull the enemy fell back, lenv-
